WELCOME

Flower City Communications goal is to provide you and your family with the most effective, cost-efficient and comprehensive benefits package.

These programs are **reviewed annually** to ensure they are in-line with the current trends and remain in compliance with government regulations such as the Health Care Reform legislation. Each plan year, you'll see a continued dedication to offering a wide array of benefit choices so you can make the best decisions to suit your needs and those of your family. Please read this guide carefully so that you may make informed enrollment decisions.

This guide is designed to highlight your benefit options. It is not a complete Summary Plan Description. For more details including covered expenses, exclusions, and limitations, please refer to individual Summary Plan Descriptions or request information directly from the insurance carrier. If any discrepancy exists between this guide and the official documents, the Summary Plan Description will prevail.

ELIGIBILITY

INITIAL ELIGIBILITY PERIOD

The initial eligibility period begins the day you become benefit eligible (per your employer's eligibility guidelines) and ends 30 days from that date. All benefits begins the 1st of the following month after 30 days of employment. If your enrollment is not completed on or before the end of your initial eligibility period, you will have to wait until the next Open Enrollment period to change your benefit elections (unless there is a qualifying event outlined below).

DEPENDENTS

You can enroll your eligible dependents for medical, dental, vision, voluntary life insurance, critical illness, and accident coverage. For benefit purposes, your eligible dependents are defined as:

- Your spouse (unless legally separated) or domestic partner.
- Your children, including:
 - Your naturally born children;
 - Your legally adopted child. An adopted child is considered a dependent from the moment the child is placed in the custody of the adoptive parents.
 - A stepchild, foster child, or any child of whom you have legal custody, who resides in your household in a regular parent-child relationship and is principally dependent on you for his/her support and maintenance and is named as an exemption on your most recent federal income tax return (proof may be required).
 - Any child whom you are required to provide health care coverage for under a Qualified Medical Child Support Order.

Eligible children (as defined above) are covered for medical, dental, and vision purposes until the end of the month following their 26th birthday.

QUALIFIED CHANGE IN STATUS:

Unless you experience a life-changing qualifying event, you cannot make changes to your benefits until the next open enrollment period. Qualifying events include things like:

- Marriage, divorce or legal separation
- Birth or adoption of a child
- Change in child's dependent status
- Death of a spouse, child or other qualified dependent
- Change in service area
- Change in employment status or a change in coverage under another employer-sponsored plan

Requests for a qualifying event must be received within 30 days of the event date. The change will be added to your coverage as of the date of the event. If you submit a qualifying event more than 30 days after the event, the change is subject to carrier approval.
