WELCOME

Scenario Application Only LLC's goal is to provide you and your family with an effective, cost-conscious and comprehensive benefits package.

These programs are reviewed annually to keep benefit choices current and compliant. Read this guide carefully so you can make informed enrollment decisions for yourself and your family.

This guide highlights your benefit options. It is not a complete Summary Plan Description. For details including covered expenses, exclusions, and limitations, refer to the official plan documents or contact the insurance carrier. If any discrepancy exists, the official plan documents will prevail.

OPEN ENROLLMENT

OPEN ENROLLMENT FOR THE PLAN YEAR

Open Enrollment is the window of opportunity to review your benefit enrollments and determine if you want to make changes for the following plan year. Decisions made during Open Enrollment are generally binding for the entire plan year and cannot be changed until next year's Open Enrollment unless there is a qualified change in status.

HOW TO ENROLL

Fill out all enrollment forms and return them to Human Resources. If waiving coverages, sign the waiver and submit it by the enrollment deadline.

ELIGIBILITY

INITIAL ELIGIBILITY PERIOD

first day of the month after 30 days of employment

DEPENDENTS

You can enroll eligible dependents for medical and dental coverage. Eligible dependents generally include your spouse, domestic partner when permitted, naturally born children, legally adopted children, stepchildren, foster children, children for whom you have legal custody, and children covered under a Qualified Medical Child Support Order.

Eligible children are generally covered until the end of the month following their 26th birthday, unless the official plan documents provide otherwise.

QUALIFIED CHANGE IN STATUS

Unless you experience a life-changing qualifying event, you cannot make changes until the next Open Enrollment period. Qualifying events include:

- Marriage, divorce or legal separation
- Birth or adoption of a child
- Change in child's dependent status
- Death of a spouse, child or qualified dependent
- Change in service area
- Change in employment status or coverage under another employer-sponsored plan

Requests must be received within 30 days of the event date. Late submissions are subject to carrier approval.
